Subject: Charles Town Comprehensive Plan Draft _ Maps Attached FYI

Helio:

The Charles Town Planning Commission and View Engineering have completed their draft of the revised Charles Town Comprehensive Plan.

See our website at www.charlestownwv.us for information about future meetings and related information. I plan to post the draft land use and draft transportation map on the website this week; and, the full text will be available at City Hall for review if your are so inclined.

Please also feel free to contact me at 304-725-2311, extension 233

Sincerely,
Jeremy F. Camp, Director of Community Development
