

Jefferson County West Virginia

Public Information

AMENDMENTS TO THE ZONING & DEVELOPMENT REVIEW ORDINANCE AS ADOPTED BY
THE JEFFERSON COUNTY COMMISSION ON AUGUST 13, 1998.

The format for these recommendations is as follows:

- 1 Deletions are shown in [brackets].
- 2 Additions are underlined
- 3 Explanations are provided as needed

Add the following definition to Article 2, Section 2.2 Terms Defined

Blue Ridge Line The common surveyed boundary between Jefferson County, West Virginia and Loudoun County, Virginia.

Add new Section 4B.6(h)

Wireless telecommunication towers, excepting antennas, based within 250 vertical feet of the Blue Ridge Line shall not rise above the average tree canopy within a 100 foot radius of the proposed site.

The 250 vertical feet shall be measured by drawing a perpendicular line from the site to the Blue Ridge Line.
